

Gertrude Stein

"PICASSO," 1912

One whom some were certainly following was one who was completely charming. One whom some were certainly following was one who was charming. One whom some were following was one who was completely charming. One whom some were following was one who was certainly completely charming.

Some were certainly following and were certain that the one they were then following was one working and was one bringing out of himself then something. Some were certainly following and were certain that the one they were then following was one bringing out of himself then something that was coming to be a heavy thing, a solid thing and a complete thing.

One whom some were certainly following was one working and certainly was one bringing something out of himself then and was one who had been all his living had been one having something coming out of him.

Something had been coming out of him, certainly it had been coming out of him, certainly it was something, certainly it had been coming out of him and it had meaning, a charming meaning, a solid meaning, a struggling meaning, a clear meaning.

One whom some were certainly following and some were certainly following him, one whom some were certainly following was one certainly working.

One whom some were certainly following was one having something coming out of him something having meaning and this one was certainly working then.

This one was working and something was coming then, something was coming out of this one then. This one was one and always there was something coming out of this one and always there had been something coming out of this one. This one had never been one not having something coming out of this one. This one had been one whom some were following. This one was one whom some were following. This one was being one whom some were following. This one was one who was working.
