

25 February 2002
Art History W36456

PLEASE NOTE MIDTERM EXAMINATION DATE: The Midterm will take place in class on Monday 11 March. In addition to section meetings, there will be a review section tba by the section leaders during the week of March 4th. There will be no section meetings the week of March 11th. The exam will consist of slide identifications, slide comparisons, and a single short essay question. It will include all the material covered through Weds. 6th March 2002, most likely through topic 10 on the syllabus.
